GIRLS' INJURIES PAINFUL

Removed to Homes After Receiving First Aid At Hands of Dr. A. S. Sickman — Young Women Are Fay Alsopp, Grace Sewell And Hazel Motts

Three girls were injured last night at 8:30 o'clock, when they were struck by the runaway Oldsmobile touring car owned by Robert C. Bratten, 800 Fallowfield avenue, while they were walking down Eighth street. The car was parked on the right hand side of Eighth street, facing Fallowfield avenue, when suddenly the brakes let go and the car dashed backwards down the graded street coming to a stop when it crashed into the undertaking establishment of John Melinck, Eighth street and McKean avenue, striking the girls at the same time.

Miss Fay Alsopp, aged 18, daughter of Mr. and Mrs. Joseph Alsopp of 731 Washington avenue, was severely cut in several places on her right arm, near the shoulder, which required 40 stitches to close, and suffers numerous bodily bruises and lacerations. She is reported comfortable this morning, after spending a restless night.

Miss Grace Sewell, aged 19, daughter of Mr. and Mrs. George Sewell, of 716 Fallowfield avenue, escaped with fewer injuries, being cut and bruised, as was Miss Hazel Motts, 18, daughter of Mr. and Mrs. Daniel Motts of 708 Washington avenue. The latter two girls, however, are in a highly nervous state, and are confined to their homes.

The girls were removed to their homes, after receiving treatment at the office of Dr. A. S. Sickman in North Charleroi.

The young ladies, who are well known in Charleroi, failed to hear or see the approach of the car, and were struck with full force and caught against the building. The only damage to the machine was a badly smashed rear fender, while there is a hole in the side of the building, where the car struck it forcibly.

MERCHANTS TO MEET AT THE COUNTY SEAT

The 28th annual convention of the Retail Merchants' Association of Pennsylvania, an organization composed of nearly 10,000 members will be held at Washington, August 11-14 inclusive. The convention, however, will be small, inasmuch as each of the 60 organizations comprising the association will be limited to a certain number of delegates. About 150 are expected to attend the convention including wives of some of the delegates and members of the Ladies' Auxiliary.

The sessions of the convention will be held in the ballroom of the George Washington hotel. An interesting program for each of the four days has been provided and speakers of national reputation have been engaged.

Dr. Alexander Cairns of Newark, N. J., will speak on "Mossbacks and Stumps," and the address will be filled with humor as well as solid business philosophy.

A. H. Deute, of New York, will speak on "The Three Legged Stool," Clyde L. Kelly, on "The Golden Rule in Business," and Martin L. Pierce of Canton, Ohio, on "Training Retail Salesmen."

Any one of these addresses will be worth going far to hear. The conven-

SURGEON SAYS

"NOT RESPONSIBLE" FOR HIS ACT

Philadelphia, August 7.—Dr. Robert Crier Le Conte, 59, a noted surgeon, committed suicide in his office here late last night by firing a single shot from a heavy calibre revolver through his left temple.

A note written by Mr. Le Conte to his wife read at the conclusion, "I am not responsible for what I am about to do."

Dr. Le Conte served in the Spanish-American war as an ensign and during the world war in command of Base Hospital No. 5. He was a trustee of the University of Pennsylvania and a member of many clubs.

SON OF BUSINESS MAN PASSES IN A CITY HOSPITAL

Curtis S. Bliss, Jr. 12 years and 7 days old, son of Mr. and Mrs. Curtis S. Bliss of 215 Lincoln avenue, died last night at 7 o'clock in the Allegheny General hospital, Pittsburgh, following a short siege of meningitis.

The young lad, a strong and sturdy youth up until three weeks ago, when he first complained of ill health, was taken to the hospital for treatment Tuesday, July 29, in the hope for improvement, but he has grown steadily worse until his passing last night.

Curtis was born in Charleroi, July 30, 1912, and was a well known and beloved youth. He was a regular attendant at the First Presbyterian church. He leaves besides his parents, two small sisters, Dorothy Jean, and Caroline.

Funeral services will be held Friday evening at 8 o'clock at the late home, in charge of Rev. Robert J. Shields. Interment will take place Saturday at Beaver.

Boys Accused Of Theft Are Being Held

The three boys, Mike Uhor, James Dubinsky, and James Livingston, are being held at the police station. We are informed that the boys are incorrigibles, and that their parents are willing that they should be given moral reformation and training.

Mrs. Mae B. Ecker, an assistant to the probation officer at Washington, is expected here today, but just what disposition is to be made of the boys, is problematical. Mrs. T. Powell, the North Charleroi lady, who lost the purse, has had the \$133 of the \$140 lost returned to her, but has not made information against the lads. In fact, no information has been made against the boys, charging them with larceny.

LOCAL MERCHANTS TO MEET TOMORROW MORNING

Charleroi merchants will hold an important business session in the room of the secretary of the Chamber of Commerce tomorrow morning at 10 o'clock.

Washington county veterans of the Three Hundred Thirty-Second Infantry who trained at Camp Sherman and served in Italy, during the World war, will attend the third annual reunion to be held in Youngstown, Ohio, August 30 and 31.

The Ohio city is making great preparations to entertain the Keystone and Buckeye state men who carried Old Glory across the Austro-Italian front in the stirring days of 1918. Officers of the regiment, for the first time since the association was formed, will be honored guests.

Theatres, parks, homes and points of interest in Youngstown will be at the disposal of the men of the infantry named. The city, chamber of commerce, patriotic and soldier organizations are sponsoring the reunion.

HOPE TO SAVE JOHN GREGACH

Monessen friends of John Gregach, a former resident of that city, who is now under the sentence of death in California, are making strenuous efforts to have his case reviewed by the California Court of Appeals.

It appears in a confession made by Gregach that he was a member of a gang which made a practice of holding up automobile parties and robbing the members. One night while holding up a man and a woman, the man was shot by one of the hold-up men, and Gregach along with others, was arrested. While Gregach admitted being in the party, he denied doing the shooting. However, due to prejudice, it is said, by California authorities against many of the unemployed in that section, most of whom were from the east, Gregach was railroaded through a trial last December and convicted of murder in the first degree. He was sentenced to be hanged, but no date set for the execution.

His friends in Monessen being notified of the occurrence, raised several hundred dollars and sent it to an attorney, who is taking the appeal through the higher courts.

Monessen friends have been encouraged by reports recently published in a Los Angeles newspaper, which tells of an alleged confession, said to have been found in a bottle at Long Beach, California, in which all blame for the crime is assumed by another party altogether. Monessen friends are hopeful that this new evidence may result in a mitigation of sentence for Gregach.

Tragedy Of An Official's Suicide Is A Mystery

Buffalo, N. Y., August 7.—After shooting his wife and two young sons to death as they slept in their fashionable Claremont avenue home early today, Henry Hopkins Lyon, 45, a former water commissioner, ended his life with a bullet in his head.

The cause of the tragedy is a mystery.

Mrs. Lyon and the children returned from a vacation visit with relatives at Amsterdam Tuesday.

Lyon was a son of Henry L. Lyon, the former water commissioner. He is survived by a sister, Mrs. William C. Davies of 598 Ashland avenue. A note which he left addressed to her read as follows: "Dear Sister: There is a package (men's club) in my tin box in the vault at the office. Also some books in a 5x3 drawer that should be given to Walter Hawke. Also an envelope belonging to V. P. Watkins in the tin box. Will you please deliver them as soon as possible? (Signed) H. H. L."

The reference to "men's club" was not clear, but the detectives thought it probably referred to some club of Lyon's church, the North Presbyterian. Prominently displayed on the dining room buffet was a silver loving cup which Lyon had won in a bowling club connected with the church.

Lyon was chief engineer of the Buffalo General Electric Co., with offices in the Electric building. The home where the tragedy occurred is a well furnished apartment which shows evidence of comfortable circumstances.

Soon after the tragedy William C. Davies, the brother-in-law, was called to the house. He was stricken with the horror of it all and said he could give no possible reason for the act. His sister and her husband, he said, were in the best of health, were comfortably well off and he had a good position. They were very happy with their children and he had never heard of any disagreement or trouble that might have preyed on Lyon's mind. Lyon, he said, had never showed any signs of aberration.

One thing that puzzled the police early this morning was the absence of the exploded cartridge shells. Lyon, they say, reloaded his revolver after killing the mother and the children but the discarded shells were not found until after a long search. They were found under a dresser in his bedroom where he had thrown them while reloading his revolver for the final act of the tragedy.

MAKE PROGRESS IN ITS WORK

The Pittsburgh Railways Company repair and maintenance crew is making rapid progress in the improvements under way in West Main street, Monongahela, between its tracks from Seventh to Twelfth streets.

A temporary track is being utilized on the west side of the street, while a score of workmen have about completed the laying of a 12-inch rock bed and six-inch surface dressing, over which the bricks will be laid. Heavy rails, such as were installed through the business section of Monongahela last summer, are being laid along the entire street.

SISTER OF J. T.

HEFFRAN IS DEAD

Mrs. Sue Heffran Love, wife of William Love, and aged 43 years, died at the Butler, Pa., hospital, at 4 o'clock on Wednesday, August 6. Deceased is a sister of the Hon. James T. Heffran.

There survive besides her husband, six children—Mrs. Mary Vosburg, George, and Sydney, at home. Mr. and Mrs. Love were former residents of Charleroi, and the news of the passing of Mrs. Love will be received with regret, for she was greatly beloved, account of her many estimable qualities of mind and heart.

Funeral services will be held on Friday, at 10 a. m., at Butler. Interment will be made at Blairsville, Pa.

Two Aged Men Pass To The Great Beyond

James Lafayette McFeeley, 84 years old, died yesterday at the noon hour at his home in Nottingham township.

A son of John and Louise Morris McFeeley, he was born in Union township, September 25, 1839, but had resided practically all his life in Nottingham township.

There survive his two sons, John and Joseph McFeeley, and one daughter, Miss Nancy McFeeley, all at home.

Joseph J. Roberts, in his 91st year, one of the oldest and most highly respected of Monongahela's citizens, died yesterday. He was born at Gingers Hill, but went to Monongahela when a young man. There survive his widow and two sons.

Monessen Youth Drowned Yesterday Near Pit Of Carnegie Steel Company

John Boyd McLaughlin, age 18, eldest son of Mr. and Mrs. Robert McLaughlin of 429 First street, Monessen, was drowned yesterday afternoon at 4:30 o'clock in the Monongahela river, a short distance from the pit of the Carnegie Steel company.

The young man, together with a boy companion, were playing ball at Page Park during the afternoon, and becoming greatly overheated, decided to take a swim. They were in the water just a few minutes, when the boys noticed McLaughlin going under the water. He made no outcry and the boys, thinking he was only in fun, paid no further attention. When he failed to come up, the boys investigated and were unable to locate him. They immediately spread the alarm, and several young men who were playing tennis near the scene of the tragedy, rushed to his rescue. After a few minutes search the body was found in ten feet of water with the face stuck in the mud. All efforts to revive him were futile.

Deceased was one of Monessen's most popular young men. He was a well-known ball player, as was his father, Robert McLaughlin, who is known all along the valley for his ability in baseball circles.

Funeral services will be held Saturday afternoon at 2 o'clock at his late home. Interment will take place in Grandview cemetery.

LAD MAY DIE; HURT BY AUTO

Benny Raynal, eight years old, son of Mr. and Mrs. Benjamin Raynal of Donora, was taken to the Memorial hospital for treatment. He was run over yesterday by an automobile driven by George Kelley of Donora. His injuries are serious.

The lad's skull was fractured and it is feared that he suffered internal hurts as well. The boy, it is said, was riding on the rear of a truck and jumped off directly in front of the approaching Kelley car. Kelley stopped his machine at once but not until the boy had been dragged for some distance. The accident occurred in Allen avenue, Donora.

HOSPITAL FIRE IS SPUR TO WORKERS

PARALYSIS RESULTS FROM DIVE AT BATHING BEACH

Robert Thebom, aged 26, of 717 Fallowfield avenue, Charleroi, was injured while diving at the North Charleroi bathing beach will be examined and given proper attention.

Thebom, a well known and popular Charleroi young man, is said to be in a serious condition. When the accident occurred, at 2:30 o'clock, he was removed from the water in a paralyzed condition. Since that time he has regained use of part of his body, but is still partially paralyzed. In diving he evidently twisted his spine in some manner, causing paralysis.

WRIGHT FACES CHARGES AFTER HITTING A BOY

Constable Playford Wright of Fallowfield township is in the Monongahela Police station, charged with driving an automobile under the influence of liquor, reckless driving, and driving his car under a 1923 license.

Constable Wright's arrest followed an automobile accident in Fallowfield township in which Vincent Zukulich, a boy, of that place, was injured. It is alleged Wright was driving the car that hit the boy. The father of the lad immediately went to Monongahela, where he had a warrant sworn out for the arrest of the man, before Justice of the Peace Jenkins.

Last night Wright was given a hearing and was held for court on a charge of driving while intoxicated and reckless driving. The State Highway Department will, it is said, also place a charge against Wright for using a 1923 automobile license. Wright is being held in the Monongahela jail, but expects to get bail today. He claims that he had both 1923 and 1924 license plates on his car, but some one removed the 1924 plate.

Campaign Salesmen Giving Time Free To Raise Fund To Erect Fireproof Hospital Near Of Fire At The Hospital

ADD \$17,552 MORE TO FUND

Total For Much Needed Building Is Boosted To \$102,693 By Hard Working Volunteers Who Met At Elks Club To Report Results Despite Heat

When the reports of the hospital workers were chalked up on the blackboard at the Elks club yesterday noon, it was shown that \$17,552 of additional subscriptions had been received for the new hospital building fund campaign. This makes the grand total for the campaign \$102,693. There are 715 subscribers.

President C. S. McKean, of the Rotary club, arranged yesterday noon that the club meeting be short in order to permit 28 members of the Rotary club working on the hospital campaign to be at the workers' meeting. President McKean also announced that the Rotary club had made a subscription of \$1,000 toward the hospital building fund.

Chairman Kerfoot W. Daly expressed himself as being unusually well pleased with the results of the day's work that boosted the total for the campaign above the \$100,000 mark.

"The spirit of the workers in sticking to the job through this hot weather is one of the finest examples of loyalty and service that any community could want," declared Chairman Daly, who went on to say that the money needed to build the hospital would be secured without any doubt if the workers kept bringing in subscriptions at the rate they had been to date.

The American Legion auxiliary sent in a subscription of \$250, and the Iris Rebekah Lodge, I. O. O. F., also subscribed. Other lodges and organizations are expected to send in subscriptions this week.

One of the subscriptions greeted with applause yesterday was that for \$2,000 subscribed by the Home and Hospital Club of North Charleroi, reported by Mrs. J. L. Roberts, president of the organization.

The high team for yesterday was that captained by Fred W. Brady, Team No. 2, Division A, which had \$3,095 for its report. The campaign goat, the reward to the team each day doing the best work was presented by the losing team while the workers sang, "John Brown's Body." The high division for the day was Division A, commanded by George W. Micht. This division had \$5,196.

The high teams in each division were as follows: Captain Fred W. Brady and Team 2, Division A; Captain Garrett E. Wagner and Team 5, Division B; Captain D. E. Sloan and Team 12, Division C; Mrs. D. Rosenberg, Captain, and Team 16, Division D. Mrs. Margaret Dunkerly of Speers was high team for the allied towns.

Commander Woodward announced that Garrett E. Wagner would be captain. (Continued on page four)

BOY SCOUTS AGAIN.

Ask the average man who are the unrecognized heroes of the present day—among the boys, and he will at once reply "The Boy Scouts." The trouble with us locally as a people is we don't half appreciate the Boy Scouts as a collective organization.

The Scouts scored again—did their "good deed" when, in joining the course searching for the missing Belle Vernon man, found the gentleman who had been lost.

said, either was instrumental in, or removed him to his home.

The Boy Scouts is one of the greatest organizations for boys extant. Given the wild, unruly, rough-and-ready lad, train him in the principles and precepts taught and enunciated in the Boy Scouts oath, and he will be converted into a manly man with any sort of home restraint and refining influences.

Scoutism not only teaches boys to be manly and upright, but it inculcates in their corporeity all the true essence of patriotism. They may never enter the field of battle, never raise a weapon in defense of our beloved country, but they will always be ready. Through the teachings of the Scouts curriculum they learn to make practical use of "binding their brother's wounds" and thus gain that self-reliance which will stand foreword for them when the practice of mind presence or presence of mind is essential.

The Boy Scouts organization means better men for the tomorrow.

CONSENT MUST BE
HAD TO REMOVE
TREES FROM WOODS

In an effort to break up the practice of removing trees from woodlands without the consent of the owner, the Department of Forests and Waters is insisting that all offenders who remove trees from State forests must pay for them or face prosecution.

Between May 1 and July 15, six parties were apprehended taking trees from the Forbes forest. Each remitted a payment of \$5 in response to the request of the department. Two other parties who were seen taking trees from Adams Falls Public Camp, Sunday, July 20, have been requested to make a settlement.

Usually the trees that are taken are transported with their roots exposed to the sun and wind, and cannot be expected to grow when transplanted. The department is receiving numerous complaints of tree theft from those who have planted forest tree seedlings and desires to eliminate this obnoxious custom.

CRUCIAL SERIES

FOR THE PIRATES

BEGINS AUGUST 13

Bill McKeechie's on-rushing Pittsburgh Pirates, now on the second half of the most successful trip the club has had in years, will return to Forbes Field, Pittsburgh, next week for the final long home stand of the present season. Only a few games from the top and going like wildfire, the Buccos are sure to make the most of this long home stay, and there is no telling what the next few weeks will bring forth in the destiny of the 1924 Pirates. The Buccos realize they now have an excellent chance, and it is a safe bet that the fur is going to fly at Forbes Field for the next few weeks in making the most of the opportunity afforded.

Muggsy McGraw's New York Giants, the baseball entertainment de luxe, will open this long stay at Forbes Field with four games beginning Wednesday, August 13, and continuing through the following Saturday. The games between the Pirates and Giants this year have set a new record height for baseball excitement and enthusiasm, and with the McGraw clan fighting with its back to the wall, due to the set-backs of the past few weeks, the coming Pirate-Giant series is sure to be a bitter one. For the first time in many years the Buccos hold the advantage in victories over the Giants and every effort is sure to be made to hold that record.

RESUME JOURNEY

Reykjavik, Iceland, August 7.—Ice binding the Greenland coast probably will loosen within a week and permit resumption of the American world flight, seamen familiar with these waters advised Lieut. Lowell Smith and a conference of naval officers today.

Meanwhile the airmen are held here, with little to do but promenade up and down the two block shopping district, buy white sheepskin rugs, sealskin boots and bone cigarette cases, while the girls of Reykjavik, shy and dressed in quaint peasant costumes with tiny black silk-fasselled skull-caps, come up and bashfully shake hands.

The flyers are the center of attraction, their visit being one of the important events in Reykjavik's history, but the girls are wont to honorize them can only talk the Icelandic language.

The planes were to be hauled up on the beach and overhauled today, after it was found that flying on to Angmagssalik still was impossible. A Danish ship, with needed supplies, still is locked in the ice off that Greenland port.

Care of Hides.

Only sound hides free from cuts on the flesh side, well taken off, of regular even pattern, properly salted and cured, can command a high price and make good leather. Greater care must be taken in summer than in winter in salting, curing and marketing hides, especially by the farmer or the country butcher who has only an occasional hide to cure. Partly decayed hides are practically useless.

Arthur "Dizzy" Vance, who after being discarded by the Buccaneers and returning to the big show five years later to become the star pitcher of the National League yesterday blocked the winning streak of his former mates by holding them to four hits, fanning 10 of them and setting them down at the small margin of a 5 to 3 score.

It was Vance's eighteenth victory of the year, and it ran his strikeout total for the season up to 160. The big, tow-headed right-hander now has flogged the Corsairs four times during the campaign. Arthur Stone was selected to oppose the Brooklyn ace and in this second guessers were able to pick out a bad choice for the plucky southpaw was successful in stalling off their opening attack for only one inning. In the second Uncle Wilbert's lads lammed the left-hander off the peak and Ed. Pieffer had to hurl the remainder of the contest.

"VAGABOND TRAIL"

AT THE MAJESTIC

Sacrifice is the big test of character. That is the surest proof that Donnegan, the hobo hero of "The Vagabond Trail," which comes to the Majestic on Friday and Saturday is a real man. The film is a William Fox production adapted from "Donnegan," a dramatic, red-blooded story by George Owen Baxter.

Charles Jones plays the leading role of Donnegan and fits into it remarkably well. Marian Nixon is playing opposite him again, and the supporting cast includes Chas. Coleman, Frank Nelson, George Reed, L. C. Shumway, Virginia Warwick, George Romaine and Harry Lonsdale.

At first it started out to be a story of bitter, hopeless, undying love—but of course it about-faced in time for the happy ending. Donnegan, hitting the vagabond trail in the hope of finding his lost brother, meets, by chance, a girl named Lou Macon and loves her. He finds out, almost at once that she is in love with somebody else, and because he cared enough he was willing to sacrifice his own happiness for hers. Not only that, but he determined to get her the man she wanted. In doing this, he brought much trouble upon himself. He came within an inch of losing his own life, but it was all worth while when Lou Macon sat in the sunlight streaming in through the hospital window and told him she loved him.

The wild, mining town in which most of the action takes place, furnishes many possibilities for picturesque settings. The dance hall, the saloon—all the landmarks of a typical gold town are thrillingly portrayed.

William Wellman, who has been so successful in directing pictures which feature Charles Jones, is at his very best in this—"The Vagabond Trail."

In addition to "The Vagabond Trail," Jack Dempsey will be shown in "West of the Water Bucket," also a good comedy.

A show for the whole family to see. Don't forget the "kiddies;" just tell them that Charles Jones is to be at the Majestic—and they'll tell you how good it is going to be.

The Personal Side

Eugene McKeown of Pittsburgh, a former resident of Charleroi, is visiting with friends here for several days.

Jack M. Teitelbaum and Jack Baxter, both of this place, motored to Clarksburg, W. Va. yesterday, where they spent the day.

Mrs. William H. Calvert of Fallowfield avenue, is a patient in the Allegheny General hospital, where she is undergoing constant observation.

C. Warren Kinder of Washington avenue, has gone to Clarksburg, W. Va., to visit for a couple of weeks, and to attend the reception for John W. Davis, Monday, August 11.

Mrs. Sarah Lenner of Third street, visited in Monongahela yesterday and attended the 92nd birthday anniversary celebration of her brother, Samless Clendenel of that city.

Misses Lula and Ruth Smith of Speers, have left for a two weeks' trip with friends in Harrisburg. They will also visit at Gettysburg and Baltimore before returning home.

Miss Lillian Calistri of McKean avenue, and Miss Marie Riva of Fallowfield avenue, left this morning for Cambridge Springs, where they will spend the following two weeks.

Mr. and Mrs. John Wolfe of McKean avenue, Miss Marie Lancaster of Lookout avenue, and Roy Balmer of Prospect avenue, attended the Elks picnic held yesterday at Kenneywood park.

Mrs. John Wood returned last night to her home in New York city, after an enjoyable few weeks' visit with her son and daughter-in-law, Mr. and Mrs. L. H. Wood of Fallowfield avenue.

Mrs. J. McGerr, daughter of Mr. and Mrs. O. A. Phalen of Fallowfield Township, who has been visiting with her parents here for the past three months, left today for her home in Denver, Colorado. She was accompanied by her mother, who will visit for some time in Denver.

STEAM SHOVEL

BREAKS DOWN

A TWIN BRIDGE

The Maple Creek road was closed from further traffic today, when a large steam shovel, of the H. P. Streicher Company, Inc., of Toledo, Ohio, who has the contract for the construction of the road, broke down the first of the twin bridges going toward Bentleyville, this morning, thus barring further transportation in that direction.

The highway would have been closed at a later date, as the work on the road progressed further, but the breaking of the bridge this morning simultaneously closed this important highway. There are a number of detours to Bentleyville, but the best route is by way of the county road, or Fifth street extension, according to folks forced to use a detour this morning.

The Maple Creek road will be reconstructed from the end of Lincoln Avenue extension to the foot of Colvin's hill, and work is fast being pushed.

SAYS DAWES IS

CONSISTENTLY

ANTI-UNION

Atlantic City, N. J., August 7.—A new blast was fired at Charles G. Dawes, Republican vice presidential nominee, by the American Federation of Labor today, charging him with "consistent anti-union activity."

It was time to balance its criticism of the Democratic presidential nominee, John W. Davis, whose labor record was scored by Samuel Gompers in a letter sent by the labor chief to the Democratic national committee.

This double barreled offensive against the two old party lineups is calculated to emphasize vigorously the federation's endorsement of LaFollette, the independent candidate.

The statement against Dawes was issued this morning by Matthew Woll, spokesman for Gompers and follows closely as did the Davis attack, exclusive forecasts of previous United Press dispatches.

WALTON MAY WIN

THE SENATOR TOGA

Oklahoma City, Okla., Aug. 7.—"Iron Jack" Walton again emerged leader of Oklahoma's militant Klan foes today when returns from Tuesday's primaries showed him leading by more than 4,000 votes for the Democratic nomination for United States senator.

Walton, who claimed in his campaign that he had been "railroaded" from the governor's chair and crucified on a fiery cross, gained the nomination largely on the strength of his support in rural precincts. Returns from these sections were

HUSBAND SAID WHY NOT TRY IT

Wife Said She Would. Result, Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

East Hardwick, Vt.—"Last winter I was not able to do any work at all. I had backache, headache, side ache, and was sick all the time for six months. We know about Lydia E. Pinkham's Vegetable Compound in the newspapers, and my husband said to me, 'Why don't you try it?' So I said I would, and he went and got me a dozen bottles. It has done me more good than I can ever tell, and my friends say, 'What have you done to yourself? You look so well.' I tell them it is the Vegetable Compound that makes me so well and strong. There is no use to suffer with backache and pains. I will tell every one what it has done for me."

—Mrs. FRED. PRIMO, Route No. 2, East Hardwick, Vermont.

Housewives make a great mistake in allowing themselves to become so ill that it is well-nigh impossible for them to attend to their household duties. In a recent country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound, 98 out of every 100 reported they were benefited by its use. For sale by druggists everywhere.

WHY YOU NEED ORGANIC IRON

Practical Advice on How to Develop Great Energy and Endurance

The food you eat contains carbon. When your food is digested it is absorbed from the intestines into the blood. When the carbon in your food comes in contact with the oxygen carried by the iron in your blood, the carbon and oxygen unite and by so doing they give off tremendous energy, thereby giving you great force, strength and endurance. Without iron your blood carries no oxygen and without oxygen there is nothing to unite with the carbon in your food, so that what you eat does you no good—you do not get any strength from it—it is like putting coal into a stove without a fire. You cannot get any heat unless the coal unites with the fire.

The strongest weapon with which to prevent and overcome colds, pneumonia, kidney trouble, rheumatism, nervous prostration, in fact almost any disease or disease germs is plenty of good rich pure blood, strength, energy and endurance and the greatest energy carrier in the body is organic iron, not metallic iron like the iron in spinach, fortified apples and like the iron contained in what is known as organic Nuxated Iron, which may be had from almost any druggist.

If you have been taking metallic iron without benefit such is no proof that organic Nuxated Iron will not help you. Nuxated Iron often increases the strength, energy and endurance of weak, nervous, run down folks in two weeks time. It has been used and highly recommended by former United States Senators, Members of Congress, Judges of U. S. Courts, physicians and prominent men so that now millions of people are using it. Satisfaction results are guaranteed or the manufacturers will refund your money. Sold by all druggists in tablet form only.

An ordinance establishing the grade of Oakland Avenue, between the south curb line of Sixth Street and the West curb line of Fifth Street, in the Borough of Charleroi, Washington County, Pennsylvania.

Be it ordained and enacted by the Burgess and Council of the Borough of Charleroi, in Washington County, Pennsylvania, and it is hereby ordained and enacted by the authority of the same:

SECTION I.

That the grade of Oakland Avenue, between the South curb line of Sixth Street and the West curb line of Fifth Street, in the aforesaid Borough of Charleroi, be and the same is hereby fixed and established as follows:

On the West curb, beginning at the intersection of the South curb line of Sixth Street and the West curb line of Oakland Avenue, at an elevation of 1045 feet; thence by a level grade a distance of 20 feet to an elevation of 1045 feet; thence by a rising grade of 2.1 feet per hundred feet for 200 feet to an elevation of 1049.20 feet; thence by a descending grade of 1.04 feet per hundred feet for a distance of 280 feet to an elevation of 1046.30 feet; thence by a descending grade of 3.91 feet per hundred feet for a distance of 101.50 feet to the West curb of Fifth Street at an elevation of 1042.33 feet;

On the East curb, beginning at the intersection of the South curb of Sixth Street and the East curb of Oakland Avenue at an elevation of 1045 feet; thence by level grade a distance of 20 feet to the North curb of Sixth Street at an elevation of 1045 feet; thence by a rising grade of 1.99 feet per hundred feet for a distance of 200 feet to an elevation of 1048.90 feet; thence by a descending grade of 1.04 feet per hundred feet for a distance of 250 feet to an elevation of 1046.30 feet; thence by a descending grade of 4.80 feet per hundred feet for a distance of 92.14 feet to the West curb of Fifth Street at an elevation of 1041.50 feet.

SECTION II.

All ordinances, or parts thereof, in conflict herewith are hereby repealed. Ordained and enacted into an ordinance this . . . day of . . . A. D. 1924.

Attest: . . . President of Council.
Secretary.
Examined and approved by me this . . . day of . . . A. D. 1924.
Attest: . . . Burgess.
Secretary.
NOTICE.

Is hereby given that the proposition to establish the grade of Oakland Avenue between the South curb line of Sixth Street and the West curb line of Fifth Street has been presented to Council and the foregoing Ordinance has passed first reading; any objections to the foregoing Ordinance and the proposition to establish said grade may be made to the Borough Council at a meeting to be held in the Council Chamber of the Borough at 8 o'clock, P. M., August 19, 1924.

Borough Clerk.

HOSPITAL FIRE IS SPUR TO WORKERS

(Continued from First Page)
tain of Team 5 in the place of W. E. Balmer for the rest of the campaign.

Any worker who secured \$500 in subscription is an honor salesman and any salesman securing \$1000 in subscriptions is a double honor salesman.

The honor salesmen for the campaign are as follows: W. C. Binns, W. W. Jameson, O. B. Clutter, Team 1; J. Gallo, Team 2; D. R. Hornell, S. Might, E. J. Keifer, Team 4; J. Calistri, Team 5; P. Wayne, Team 6; P. Calistri, R. Blythe, Team 8; Mrs. Eva Wayne, Mrs. Joe Urise, Team 15; Ella McKeown, Mrs. J. S. Rockwell, Team 16.

The double honor salesmen so far in the campaign are: F. W. Brady, Walter Jack, Team 2; Mrs. R. C. Mountser, Team 10.

Sales Manager J. B. Tussing had a conference yesterday afternoon at headquarters with some of the workers and went over several features of the campaign from a selling standpoint on the part of the teams. He came from the meeting enthusiastic in his convictions that the men's divisions would rally and produce an excellent report today.

One of the interesting features of the meeting yesterday which was attended by about 150 workers, was that division leaders issued challenges to each other for the largest attendance today. Commander George W. Might and Division "A" challenged S. L. Woodward and Division "B," while Mrs. R. C. Mountser acting commander of Division "C" in the absence of Mrs. C. J. Mogan, challenged Mrs. Michael Rosenbloom, commander, and Division "D" for the highest attendance among the women workers.

The fire at the hospital yesterday was mentioned by Manager Tussing at the meeting. He warned the workers that should a fire ever break out at the hospital that was serious, it would leave the hospital beyond any hope of reconstruction and rehabilitation. He pointed out that while the alarm was a still alarm on account of the desire not to annoy the patients, it was nevertheless an alarm that might have proven serious but for the prompt response by the fire department in the way they did.

"This fire at our hospital only emphasizes how risky it is for us to even think of trying to get along with the old frame building that we have for a hospital," declared Manager Tussing.

That the workers in this campaign appreciate the seriousness of the situation is evidenced by the splendid work they are doing getting subscriptions.

Whether or not the public appreciates the good work of the organization.

Whether or not the public appreciates the good work of the organization during the hot weather and sacrifice of vacation time, will be determined by the size and number of the subscriptions to the hospital building fund, it was stated.

The campaign is for \$150,000 to construct a modern fireproof hospital building at North Charleroi on the hill where the Charleroi-Monessen hospital is now located. This site has been approved by the State Board of Health because of favorable air currents and is easily accessible by the road recently improved leading to the hospital. The campaign to raise the building fund started Monday night and is expected to end next Monday unless the workers complete their work before.

LEGION POST IS TO MEET TONIGHT

There will be an important meeting of the Charleroi Post No. 22, American Legion, in the Dugout this evening.

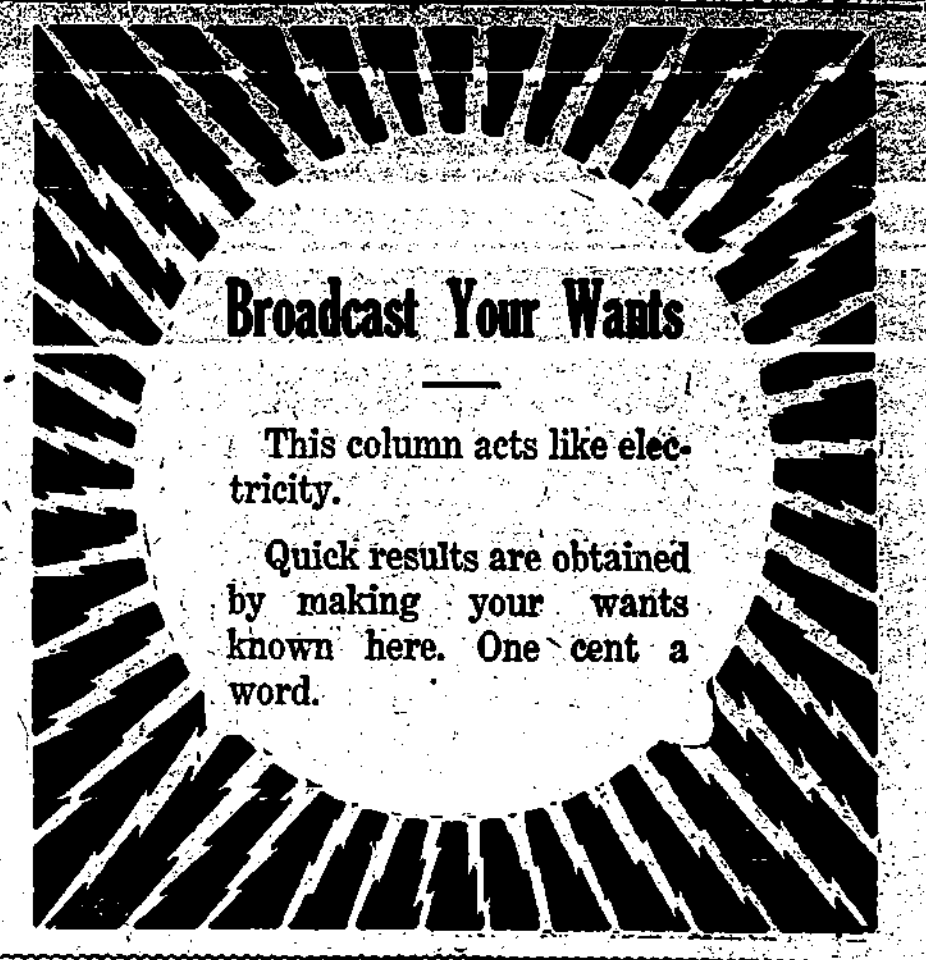

During the hot weather, the Post meets but once a month, and many matters of importance are to come up for discussion at tonight's meeting.

At this time plans were definitely arranged for the local Post's part in the state convention, to be held at Greensburg this month. Arrangements are being made for the transportation of the entire membership and the band that will accompany them. The Post expects to make a good showing in the parade.

Delegates for the National convention will be elected this evening, and plans relative to the fall program will be outlined.
